Tim Taylor will not be going far. He will be on the board of directors. Sue Taylor will be our new membership chairman. Also term limits have been set for all officer positions.

Congrats to All!!

The Toad Hollow/Marcellus Raffle was a big success again this year. The profit after all the prizes were given out was \$4,170.00. Our share (1/2) is \$2,085.00. The profit on the Poker Run was \$584.00 to be split with Marcellus. A big THANKS to Penny Case who sold the most tickets this year (107?). And a HUGE THANKS to Joy Dorfer who ran the show for the Toads. It's a ton of work and Joy did an excellent job (as usual!). Thanks also to Trish Crysler and the Marcellus club. Our share of the profits was very much needed, as we all know. It would be great if we had some different people step up to help with next years raffle.

The 50/50 winner was Ernie Fenner. He and the club split \$74 between the two and Ernie graciously donated back his share to the club. Congratulations Ernie and Thank you!!

Our final trailwork of the season was March 19. Unfortunately, only 1 person showed up. Steve Frank and he moved the remaining signs that needed to be moved. We all need to thank Arties, Bruce, Beth and Steve for all they do for the rest of us. We will need to work on several of our bridges, so when you hear there is a trailwork detail, please try to show up.

## **A message from the (outgoing!) President:**

To all of the wonderful Toads,

Well, it's finally happened. After 20 years of being your President, I am stepping down to make room for a better, smarter President. I think you all heard that at the last meeting, our Jennifer Simmons decided she would run for President and was voted in unanimously. Please give her all your support and not too much crap! I know she is going to do an AWESOME job. I have felt for a long time now, that we need new people with new ideas as new officers. All of the officers have done a GREAT job, but they have all been in there quite awhile. I would like to see people step up for the other positions (and I'm sure the current officers would like a break). Next year we will have elections for Vice President and Treasurer. Please, please, please consider running for one of the offices.

We have a great club. I feel that it is certainly the best club in the County and probably the best in the State! To keep up the the club's excellence, we need people to get involved with their wonderful ideas to keep us moving forward and to make us better than ever. Certainly this year we have had a lot of great people take on more responsibility, especially with the groomer program. Thank you, Chris Schaber. And thanks to all the groomer people- Dick Becher, Sean Hoag, Steve Frank, Scott Berberian, and all the others who have helped with the groomer. Please don't feel slighted if I didn't mention you. Believe me, you are MUCH appreciated. Also thanks to Trailmaster Steve Frank and his right hand man, Artie Eipp for giving us the best signed and maintained trails in the County. Whenever ANYTHING is needed, Artie is always there! And thanks to my fellow officers, you guys (and gals) are the BEST!

I have met so many GREAT people through the club and have become close friends with a whole bunch of you. For this, I am so grateful. For all the 20 or so years that I was President, it wasn't a job- it was a labor of love! And I will miss it. But, I'm not going too far. As past president, I will be on the Board of Directors and I will continue to be at EVERY meeting to offer my insight (should anybody want it!), and I will continue working on the Vintage Show, Chicken BBQ, Poker Run, Trail Fund, and wherever else I am needed or wanted. My wife, Sue, has become the Membership Coordinator to free Jenn up for her new responsibilities. I will continue to do memberships at Thru-way Autoglass.

So, thanks everyone for a wonderful 20 years serving as the President of the GREATEST club in the state. It has been an honor. You have all been so GREAT and I thank each and every one of you.

**Tim**
