## News and Information:

### Trails

Trail work will begin shortly. Please stay tuned to email, internet or your phone. There will be a lot of work to be done and a short time to get it done.

We also need people to help out with working on the groomers and grooming. Sometime before the season begins the tracks will be replaced on the big groomer. Anyone that can help please contact either Tim Taylor or Artie Eipp.

Madison County is sponsoring a Step Program for trail signage on October 26. It will be held at the Ridge Golf Course in Chittenango. Cost is \$15.00 per person. If you are interested, please contact Tim Taylor at 446-4881 or 447-2070 . ...

We will again be selling tickets for the annual Marcellus/Toad Raffle. We will split the profit 50/50 and as usual the drawing will be at the poker run. More details in the coming months, but first prize is for a new sled (or cash) The tickets will sell for \$10.00. We really need to make this a successful event and have everyone participate. Please get you tickets to sell at the next meeting . We will also be selling the NYSSA raffle tickets, but our focus will be on the Marcellus tickets.

The annual Toad Golf Tournament was held on September 15 at Orchard Vali Golf Course. We had 15 1/2 teams and we made \$1095.00 profit. A huge thanks to Tom Andrews. Please plan on joining us the same weekend in 2014. Also thank you to all of the golfers that came out and participated and supported your club.

Probably everyone knows that the club is being sued for an accident that happened on the Tanner Valley driving range in February. Brandon Thousand was a passenger on a sled, fell off, and got run over by the sled behind him- breaking his femur and hip. Neither the police or an ambulance were called. We are being sued for \$1,000,000.00, and their argument is that the speed limit was too high. Everyone knows that the speed limit on a snowmobile trail is "reasonable and prudent". Tim talked to NYSSA's insurance company's lawyer on October 14th and the suit is ongoing. For some reason, the claimant can't produce the driver of the sled that he was riding on, or the driver of the sled that hit him. Thank God for NYSSA's insurance company, and we will keep you posted with any updates.

Our NYS Youth Safety Course was held at Tanner Valley on Saturday October 12th. Our instructor, Darryl Martin had a good turnout with about 35 people, and he did his usual excellent job. Thanks Darryl, we need to get more youth into snowmobiling (and snowmobiling safely!). Also thanks to the Marcellus club who split the cost of lunch with us. And thanks to Tanner Valley for providing the venue at no cost.

Thanks to our John Russell, Onondaga County has received the 30% check for the 2012-13 trail fund and we can look forward to getting our check for around \$1,400.00 pretty soon. Yeah!!
