TRAIL WORK

Saturday Nov 22nd. Meet at either Arties Garage or at Steve Frank's house. Please bring a screw gun or a sledge hammer if you have one. Eats and Drinks @ Arties Garage after. You will be seeing more orange stakes this season. It will be better visibility of where the trail is.

BIG thanks to Steve Frank and everyone who has been doing trail work. An INCREDIBLE amount has been done and we are in real good shape. Remember to keep checking the website @ www.ToadHollow.net for upcoming trail work. ALSO a BIG thanks to Joe Stafford for using his machine to repair the trail behind AMBER INN and the Pipeline Trail. Also to Todd Shute for knocking down the big hills on the trail to the Kart Lounge at Everingham Rd.

Marcellus Club has redone the bridge over 9 mile creek. It is now 9 ft wide!!!

If your interested in getting a riding permit for Old Forge area you can get it at Town Of Webb.
