## Equipment News:

**Equipment Re-Cap:**  
 Our new groomer still needs more work. The Donaths were replacing the ring & pinion and found the pinion carrier is broken. One is on the way and the groomer should be ready when the trails open. The Donaths are doing a TON of work on the groomer (and drag) and deserve a HUGE THANKS!!!!

Pictures of our new drag are on the website. A HUGE thanks to Jim Donath, Art Donath, Shane Donath and B.J. Dorfer for building it. A drag that would cost about \$15,000 new, only cost us \$2,500 to build—Thanks GUYS!!!

Old Groomer will be up for sale: \$10,000.00
