We will be double staking our fields this year to comply with Parks and NYSSA's signing regulations. This means a lot more stakes, ribbon and WORK!

We will be widening the bridge behind the Amber Inn to make it easier to negotiate. The Marcellus Snowmobile Club and Apple Valley Wheelers are contributing to the materials fund. B.J. Dorfer will be doing the welding. THANKS EVERYONE!!!

We will have NYSSA Raffle tickets for our members to sell at our next meeting. The tickets sell for \$5.00 and our club gets half the money. The grand prize is a choice of one of three sleds. And there are a lot of other great prizes. Pick up your tickets to sell at our next meeting. The club makes pretty good money.

October 26th, Step Signage Class— Euclid Hotel, 6:30 p.m.

Who are STEP Signage Classes for? These classes are for club trail workers to receive first hand information on signing trails according to state administrative guidelines from one of 10 program instructors.

AND for snowmobilers that want to see safer trails and consistent trail signage statewide by volunteering to become a trained Safe Trail advisor.

What Does a Safe Trail Advisor do? Each advisor is partnered with a nearby club to ride their trails and provide feedback to the club on how their signage meets signing guidelines.

What happens in these classes? Information is presented in a PowerPoint format and is divided into two parts. The first part is strictly information on signing guidelines. The second part is the training on becoming an Advisor. To become an advisor, you would need to be present for both parts. The entire class lasts about 3 hours.

What is the demand for Advisors? There is a big shortage of Advisors to work with clubs in the state. Over 230 clubs are involved with trail maintenance. Of these approximately 60 clubs are part of a county organization-run Satellite program. To work with the remaining 170 clubs, there are approximately 45 trained Advisors.

For more information or to attend the Step signage class, please contact either Tim Taylor 446-4881 or 447-2070 or Steve Frank 439-8383.

Remember to save your snowmobiling gas receipts for Gary Rood. He is getting an 8 cent per gallon refund from the state. THANKS GARY!!!!

Congrats to Wendy Russell who won our 50/50 raffle at the October meeting. Her share was \$61.50. She was gracious enough to donate back \$30.00.

If there is an accident on our trails that the police respond to, WE NEED TO KNOW. Call any officer of the club so that we can report it to NYSSA's insurance company. This is very important. All of the officers phone numbers are at the end of the newsletter.

Stay tuned for a wheeler/car poker run in May. We will keep you posted on our 1st annual "Summer's REALLY Gonna Suck" poker run.

SKI-DOO is doing their snowmobile club support program again this year. If you have not already filled out a certificate and taken it to a dealer yet, please fill one out at the next meeting. Our club gets \$10.00 per certificate from Ski Doo.
